NI4OS – Vision & Survey

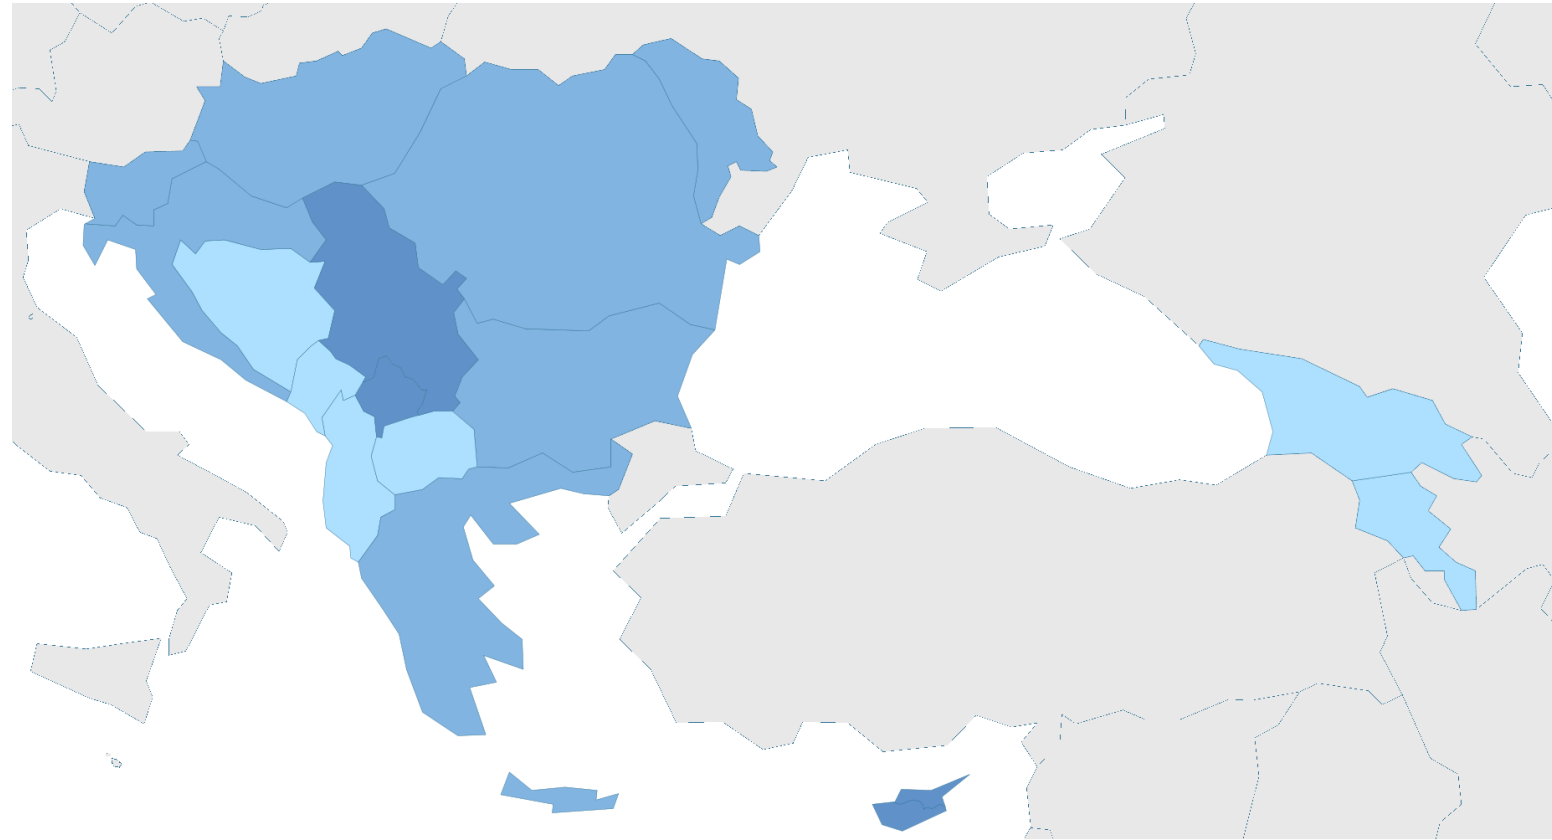

Number of stakeholders in partners' country

❑ NI4OS, aims to be a core contributor to EOSC service portfolio, commit to EOSC governance and ensure inclusiveness on the European level for enabling global OS.

❑ collected 1010 stakeholders from 15 countries South-eastern Europe (deposited in Zenodo under a free license: 10.5281/zenodo.3722929)

❑ landscaping survey has been running running for 3 months (end of 2019), and we have collected 575 responses (57% participation)

❑ results are visible at NI4OS portal

Familiarity with EOSC

- ❑ not very familiar with EOSC
- ❑ is little bit better for FAIR principals

- ❑ OS facilitators & supporter are better informed & involved

National Open Science policies

Legend:
- ■ No national OS policy
- ■ National OS strategy/plan
- ■ National OS policy
