**#EOSCPillar**

slido

Open advice to the projects and initiatives present. Where should we focus more on?

009

Continue to spend effort to enhance the synergy and the dialogue among all the projects

Outreach and promotion of EOSC locally based on central messages

Have more coordination. Don't run 4 separate surveys in parallel without the same questionnaire.

Involve researchers!!!!!!

More instruction on the EOSC co-creation call.

On better presenting this (complex) project. On more coordination
